

Dear Friend,

At the Church Street Choral Academy, we believe music can change a student's life. Since 2021, with significant support from Christ Church, the CSCA has provided young people with high-quality music education, academic support, mentoring, meals, transportation, and enriching arts experiences all at no cost to their families.

This December, we're bringing our community together for the **St. Nicholas Christmas Festival, a joyful evening of music and Christmas cheer at Christ Church Episcopal**. The December 6 celebration will begin with a festive concert featuring the Christ Church Parish Choir and CSCA choristers, followed by a delicious dinner for all ages, carol singing, activities, and, of course, a visit from St. Nicholas.

We hope you'll help make this celebration possible as a Festival sponsor.

Your sponsorship will help underwrite the evening, allowing event proceeds to directly support the CSCA and its choristers. Through choir rehearsals, voice lessons, music theory, piano instruction, performances, mentoring, and cultural experiences, our students are growing as musicians and young people. They are also being introduced to the rich tradition of sacred music and developing the skills and confidence to become the next generation of singers, musicians, and leaders in the Church.

Sponsorship of the St. Nicholas Christmas Festival is an investment in a joyful new Christmas tradition and in the young voices at the heart of our work.

We hope you'll join us on December 6 as we fill Christ Church with music, generosity, and Christmas joy and help nurture young musicians who will carry this tradition forward for years to come.

With gratitude,
